Dear Dr. Muhammad Said,

We have reached a decision regarding your submission to Mediterranean Journal of Chemistry, "Modification Bentonite Using Fe(III) and Its Application As Adsorbent For Phenol".

Our decision is to: Revisions required.

We remind you that the Mediterranean Journal of Chemistry uses an open access system where the fees are paid by the authors.

The revised full text of your manuscript will be displayed in our journal only if the payment of the corresponding fees is fulfilled.

If you accept, I will send you the publication fee attestation and then the Editorial comments.

With kind regards,

A. Souizi

Dear Dr. Muhammad Said,

We are happy to inform you that the full text of your manuscript titled "Modification Bentonite Using Fe(III) and Its Application as Adsorbent for Phenol" is published online in the Mediterranean Journal of Chemistry under the reference:

Mediterr.J.Chem., 2020, 9(6), 422-431.

Please, carefully read your manuscript for corrections if needed.

We would like to take this opportunity to thank you again for your active collaboration with Mediterranean Journal of Chemistry and sincerely hope that we will receive further contributions from you in the future.

A DOI was assigned to link to your manuscript.

As you know, an article is evaluated by the number of its citations. Do not hesitate to cite your article in all your future publications and ask your colleagues and partners to cite it in their works.

With best regards

A. Souizi
