Dear Dr. Sahim:

We have reached a decision regarding your submission to Frontiers in Heat and Mass Transfer (FHMT), "CONVECTIVE HEAT TRANSFER OF ONE ROW ARRANGEMENT OF ELLIPTICAL CYLINDER".

Our decision is to: Require Revision

Please revise the paper as suggested by the journal reviewers and editor (see below). Then upload your revision and a rebuttal within two weeks. The rebuttal is mandatory and will contain information on any changes you did not make, as recommended by the reviewers and editor, and why you decided to not make the changes. After submitting your revision and rebuttal the editor will be automatically notified of your resubmission.

8. Figure quality should be improved. In figure caption, Figure x. (x is figure number) should be changed to **Fig. x** (bold phase Arial).

9. Equation numbers should be aligned to the right side

10. Please correct Reference format (check capitalization, bold phase, names of authors, etc.) and add DOIs for all references. Some references are incomplete. Please see any of our published paper for correct format.

11. The two columns of the last page should be the same height

12. Please email me the final Word file in addition to upload PDFs online.
