Dear diana dewi sartika  
Greetings from connecting ASIA,  
First of all, we congratulate you for contributing to the success of just connecting AIMC 2019. We really appreciate your support and trust. We are investing all our efforts to publish your work as soon as possible. However, this is not possible without your help.  
We have reviewed your paper and reached a decision to submit your paper **Learn About Crime (Study on Children In Conflict With The Law at LPKA, Palembang)** in any of the following journals, International Journal of Recent Technology and Engineering (IJRTE) <https://www.ijrte.org/>  
International Journal of Innovative Technology and Exploring Engineering (IJITEE) <https://www.ijitee.org/>  
International Journal of Engineering and Advanced Technology (IJEAT) <http://www.ijeat.org/>

for possible publication, you can visit the journal website, you can also check the Scopus status of the journal at <https://www.scopus.com/sourced21100889873?origin=resultslist>. Therefore we request you to revise your paper as per following instructions and submit your revised paper as per the template provided in the attached file. Please follow the template carefully and also do the following revisions before submission of your revised version. Failure in doing so may result in rejection from the journal. kindly also upload the signed copy of both authors agreement form along with your revised submission and correction list.

**Revisions Required:**

**Title:**  
Avoid using abbreviations in the title.

Dear Dr

Until now, I can not upload my paper on connecting asia portal

I really need help, what should I do? To submit my paper on that portal

One of my friend having the same problem with me yesterday, but after a few hours later the portal show the link to upload paper

I hope, I can get the solution from that problem. Thank you

Dear Dr

Please kindly check the attached file.

That is the condition of my account in connecting asia portal.

So, until now, I can not upload my paper.

But, I have already sent my paper and copyright to this email, 2 days ago.

Thank you
