Dear Dr. Fitri Maya Puspita,

We are glad that you are reading this mail. We hereby heartily congratulate you for the publication of your following paper. We appreciate your hard work and sincerity behind the publication of this excellent paper.

"Bit Error Rate (BER) QoS Attribute in Solving Wireless Pricing Scheme on Single Link Multi Service Network"
in

International Journal of Electrical and Computer Engineering (IJECE) Vol. 8, No. 1, February 2018

You are already aware that publication of research work in a peer-reviewed international journal has important value. At the same time publication of research work as a Book chapter in an Edited Book also has a significant importance in career. A research paper which has already been published in a journal can be published as a Book Chapter in an expanded form. It is completely legal and acceptable procedure in the academic world.

We want to share good news with you. We have published more than 82 books in last three months (<https://www.bpipromotion.org/>). We are overwhelmed with pleasure for this tremendous response from researchers like you. We are going to publish more than 5 volumes in next two months in the following area. With the same research work you can get double benefit and it will enrich your resume.

We're happy to inform that your paper has been selected to be included as one of the potential book chapters of the following book. You're also welcome to publish your other research papers, which have been published in other journals. If you have any fresh manuscript, you can submit for review and inclusion as book chapter.

Book name: Technological Innovation in Engineering Research

Details of charges are available below. Presently 80% discount on the publication charge has been announced for this month.

<https://www.bpipromotion.org/wp-content/uploads/2019/04/9.Charges.pdf>

Features:
