Dear Dr. Grzegorz Wrzesinski,

Thank you for your fast reply. As for the good news on your previous email, would you mind to provide me the **Letter of Acceptance** for publishing the manuscript and **guidance for the publishing fee**. It is due to the difficulty I met that I cannot access your journal web address on http://iiks_pn.sggw.pl just now, so I was a little bit lost in the process.

I really appreciate your great feedback and kindness.

With many thanks,

Larap Kemayan Estu
