Dear: Dr. Nyoman Suwartha Managing Editor International Journal of Technology (IJTech) Faculty of Engineering Universitas Indonesia,

Re: Manuscript reference IJTech-07-98

We are grateful for the opportunity to resubmit our manuscript. We thank the reviewers were highly insightful and enabled us to greatly improve the quality of our manuscript. In the attachment pages are our point-by-point responses to each of the comments of the reviewers.

Base on reviewer comments, please find attached a revised version of our manuscript entitle "THERMAL EVOLUTION PROFILE ANALYSIS FOR PYROLYSIS OF COAL- ACAQA MANGIUM WOOD BLENDS", which we would like to resubmit for publication as a research article in International Journal of Technology

Revisions in the text are shown using yellow highlight. We hope that the revisions in the manuscript and our accompanying responses will be sufficient to make our manuscript suitable for publication in International Journal of Technology

During 2nd revision we got same opinion and advice from DR Ir. Diah Kusuma Pratiwi, MT, therefore if it is possible we wish DR Diah can be added as co-author, this is her affiliation:

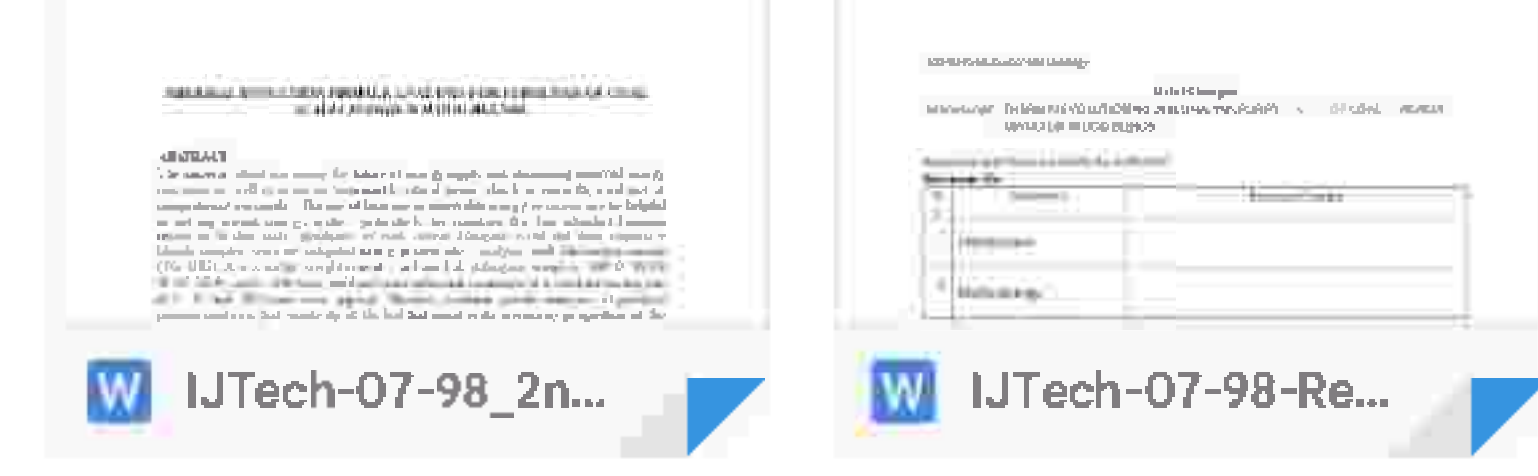

Diah Kusuma Pratiwi, Department of Mechanical Engineering, Faculty of Engineering, Sriwijaya University, Indralaya 30662 Indonesia.

we also added Mr Sapril in acknowledgement to his contribution in material preparation.

We are looking forward to your positive response.

Yours sincerely, Gunawan On behalf of the authors
