Dear Author(s),

Thank you very much for submitting your research article to *Journal of Asian Finance, Economics and Business (JAFEB)*. We have read the paper and we found that the topic is very interesting and the manuscript showcases commendable research integrity. However the editorial board does not believe that the current manuscript meets the standards and submission guidelines of the journal.

Editorial Board's Selection and Revision Invitation Policy (Updated on October 2020): Please note that **Editorial Board of the journal will be very selective**, accepting only the articles on the basis of **scholarly merit, research significance, research integrity and complete compliance with the journal style guidelines (APA)**. The JAFEB Editorial Board respects and promotes all authors and contributors on the basis of research ability and experience **without considering race, ethnicity, nationality, citizenship, financial means, or any of narrow frames of reference**. **From October 2020, all new submissions to the journal are assessed in two stages**. The first hurdle is an editorial screening where we evaluate whether a paper is likely to get through the peer review process or not. If the Desk Editor does not believe that the submission is suitable for the aims and scope, standards, and Editorial Board's selection policy of the journal, then the submission will be rejected at the front stage. Only about 25% of our submissions pass this hurdle. **The submissions we decide to take forward for the peer review process fully need to be well structured, well written, good presentation of English, firmly anchored in existing academic literature, and complete compliance with the journal style guide and template**. Only after careful consideration by Desk Editors based on the editorial grounds, the Desk Editor will selectively send the paper out to external peer reviewers. In particular, the following must be addressed and met the requirements and guidelines: **The same rules will be strictly applied for all new submissions**.

Article Publication Charge (APC): JAFEB is an **Open Access** journal accessible for free on the Internet. Yet, the print and online publication process does involve costs including those pertaining to setup and maintenance of the publication infrastructure, routine operation of the journal, processing of manuscripts through peer-reviews, editing, publishing, maintaining the scholarly record, and archiving. To cover these costs, the journal depends on **APC also called "Article Publication Charge" (US dollar \$500 or Korean currency 600,000 Won) per article so that APC is mandatory**. There are NO submission charges for JAFEB whether the article is rejected, reviewed, or accepted. **[Important:** After the external reviews having completed if the paper gets accepted in favor of publication on the journal then an official invoice of APC will be followed. Based on the invoice the author should make a payment for APC. Before the paper gets accepted for publication, **any payments or early payments do NOT count any credits toward its acceptance for possible publication.**]

Checklist of Manuscript and Submission (Very Important Items): In particular, the following must be addressed and met the requirements and guidelines:

1. JAFEB Engagement: If the literature current, relevant, and broad enough to set the context for the research, you should engage with the style and the discussions published in JAFEB. The work in the journal evolved considerably as you can see on [JAFEB Archive](#). To fully contribute to the subject, you will need to engage with JAFEB. To do so: you should **include at least 3 - 5 relevant references in JAFEB**. Your paper should reflect the cutting edge thinking of relevant literature in JAFEB.

2. JEL Classification Code: **Please provide 3- 5 JEL classification codes, separated by comma (,)**

3. Citation and Reference Style Guides: Authors are expected to **adhere to the guidelines of APA 6th or 7th edition (American Psychological Association)**. Please provide full information of publications complying with

the APA citation and reference styles. **Please ensure that every reference cited in the text is also present in the reference list (and vice versa).**

[**Special Note:** (1) Please ensure that every reference cited in the text is also present in the reference list (and vice versa). For this purpose please best use “**Find**” function in MS-Word Documents.

(2) All citations in the text should refer to: **Two authors:** list all authors' surname (family name) only, using “**and**” between two authors and separating with parentheses for the year of publication, for example, **Lee and Nguyen (2020)** in the main text, or everything in parentheses using “**&**” and separating with a comma between the two authors and the year of publication (**Lee & Nguyen, 2020**).

[**Important!** Please translate all references in local languages, at least **the title of the article must be in English** (i.e. Vietnamese, Indonesian, Malay, Thai, Pakistani, Arabic, Russian, Ukrainian, Chinese) into English (through Google translator or AI translators) according to APA style guide at its best.]

Please read the entire document carefully with this in mind. **Please do NOT change the format and style at this time point. A typesetter of production team of JAFEB will do the final work.** In particular, please check the followings carefully:

- 1) Check the accuracy of key items such as the title, authors' full name** (must be appeared in order of First name (=Given name) and LAST NAME (=SURNAME, FAMILY NAME) for its indexing purpose correctly according to the APA format. Please indicate the authors' FAMILY NAME (=SURNAME, LAST NAME) in ALL CAPITAL letters. For example, **Prof. Lee Jung Wan in the Asian name format (i.e., Jung Wan LEE in a US form) should be indicated as Jung Wan LEE; accordingly, [Jung Wan LEE] will be indexed as of [Lee, J. W.] in Clarivate Analytics' Web of Science and Scopus).**
- 2) Check the acknowledgements or any disclosure statements in place, if any**
- 3) [Important!]** Check carefully citations in the text and reference information. Per missing or incorrect citations and references, **please provide citations in text correctly and full publication information at references complying with the APA format [If your article contains the Editor's comments with highlighted in Yellow, this issue MUST be resolved before publication. If any, your publication still requires Editor-in-Chief's final approval. Otherwise, your publication will be postponed until the issue has been resolved].** Otherwise, delete it (in this case, please make it according to the proof editing instructions above).

Third, Article Publication Charge (APC): JAFEB is an Open Access journal accessible for free on the Internet. To cover article publication costs, the journal depends on **APC (US dollar \$500 or Korean currency 600,000 Won) per article so that APC is mandatory.** For this reason, please be noted that you are receiving an official invoice of **USD500.00** as for APC for your accepted article. **Only after we have received a payment of APC at the Publisher's bank account, we can confirm that your article will be surely published in due course. When we have received the proof or evidence of the APC payment and when we have verified your payment of APC at the Publisher's bank, then we will issue an official acceptance letter and an official receipt for your reimbursement/administrative purpose from your institution/research supporter.** Please note that if the Publisher does not confirm that the APC has been received at their end by the due date or a delayed payment,

then the publication of your article would be postponed to a next issue, or your article will be a hold-up list until a payment of APC to be completed.

Please submit the following two document for further process:

- 1) a signed **Journal Publishing Agreement Form** (see attached),
- 2) a **Copy Edited Proof with corrections (Please mark all corrections in Red)**, if any in an MS-Word document (Please make best use of the attached)

Please return a **Corrected Proof and a signed Publishing-Agreement-Form as soon as possible (within 72 hours)**, but not later than **January 29, 2021 KST (Seoul, Korea time) at the latest** for publication in **JAFEB Volume 8 Issue 3, March 30, 2021**, directly to **Editor-in-Chief Prof. Lee, Jung Wan at jwlee119@Yahoo.com**. [Please note that if the **two documents and APC payment evidence** are not submitted **by January 31, 2021 at the latest**, then the publication of your paper **will be cancelled automatically in due course due to production schedule of this issue**].

Thank you for your interest and support for the journal.
