

SEG Annual Meeting Abstract Notification

From: Technical Program Online (techprog@seg.org)

To: myusup_nkh@yahoo.com

Date: Sunday, June 16, 2013 at 11:59 AM GMT+7

George R. Brown Convention Center
22-27 September 2013 • Houston, Texas USA

June 12, 2013

Dear Mokhamad Yusup Nur Khakim:

On behalf of the SEG/Houston 2013 Technical Program Committee, I would like to invite you to present your paper, *Monitoring and characterization of land subsidence in the Bandung Basin, West Java, Indonesia, using SAR interferometry* at the SEG International Exposition and Eighty-Third Annual Meeting in Houston, Texas. Your paper is scheduled for PC-Based Oral Presentation on Wednesday, September 25, 2013.

The Committee arranged the presentations into sessions with a specific theme and focus. Your paper has been included in the TL 3: Inversion for Petrophysics and Monitoring session, which begins at 1:30 PM. Your 20-minute presentation will begin at 1:30 PM. The entire SEG/Houston 2013 Technical Program will be posted online in August. I encourage you to go online and look at the other papers in your session.

The 2013 Committee received the second highest number of abstract submissions on record. Each abstract was reviewed by multiple individuals with expertise in the appropriate area of geophysics. The abstracts were rated on the basis of the submitted text and accompanying figures as per the judging form provided in the Abstract Kit. The reviewers felt that your abstract represents a significant technical contribution that will be of interest to many Society members. Congratulations on getting your paper accepted!

Please review the Speaker Kit webpage at <http://www.seg.org/am/speakerkit>. This webpage provides guidelines for preparing your presentation as oral presentations will be shown in high definition and must be configured as such. High definition projection of presentations is a new enhancement, and has not been done in previous years. Please prepare accordingly. Information regarding the Speaker Breakfast and Student Paper competition, sample judging forms, tips for presenting your paper, and other pertinent information can also be found on the speaker kit webpage. There is also a high definition presentation template that you can download for your presentation. Please forward this e-mail to the designated speaker of this paper and all other associated authors, in case they should need to reference this information.

A new feature offered this year in Houston (in addition to high definition presentations) will be the On Demand viewing stations. These stations, located on the 3rd floor foyer in the Convention Center, will allow attendees to view presentations at their leisure. If you DO NOT want your presentation to be

shown on these viewing stations, you must click [here](#).

Please note that you are obligated to show up at the assigned time to give your presentation. People who do not show up to give their talk disrupt the flow of the session, do a disservice to the other speakers in the session and the audience, and complicate coordination with other technical sessions. Because of this, SEG will continue to implement a No Show Policy. This policy is included in the Speaker Notes provided on the Speaker Kit webpage. **If you are unable to show up for your designated presentation time, please inform the SEG Technical Program Coordinator at techprog@seg.org as soon as you are aware of the problem, and before 9 September 2013, in order to avoid being placed on the 2013 No-Show List.**

Thank you for presenting your work at the SEG Annual Meeting. You will help to make the Annual Meeting a significant learning experience for everyone. See you at the Speaker Breakfast, and don't forget to pick up your Speaker ribbon in the Speaker Ready Room! You will need this letter to retrieve your ribbon.

Sincerely,

James S. Schuelke
Technical Program Chairman

SEG: Annual Meeting Presentation Reminder

From: techprog@seg.org

To: myusup_nkh@yahoo.com

Date: Thursday, September 5, 2013 at 02:13 AM GMT+7

Dear Mokhamad Yusup Nur Khakim:

The SEG International Exposition and Eighty-Third Annual Meeting is quickly approaching. With that in mind, we wish to remind you of your scheduled presentation at the Annual Meeting.

As you know, you are scheduled to present the paper titled "Monitoring and characterization of land subsidence in the Bandung Basin, West Java, Indonesia, using SAR interferometry" at the meeting in Houston, Texas. Details regarding this presentation are:

- Style: PC-Based Oral Presentation
- Presentation Date: Wednesday, 25 September, 2013
- Session: TL 3 - Inversion for Petrophysics and Monitoring
- Session start time: 1:30 PM
- Presentation Time: 1:30 PM
- Room: 320 BCEF

Please review the Speaker Kit webpage at <http://www.seg.org/am/speakerkit> before your arrival at the meeting. This webpage contains important details regarding presentations and how to prepare. Please remember that all presentations will be given from HD projectors this year, and instruction on how to prepare presentations for HD is included on the Speaker Kit webpage.

It is imperative to note that speakers must submit their PowerPoint presentation to the speaker-ready room (Room Reef 340 A of the George R. Brown Convention Center) no less than 24 hours prior to their scheduled presentation time UNLESS you have submitted your presentation (before 9 September) via ProjectionNet. This web-enabled presentation delivery and management system will allow you the opportunity to upload your PowerPoint presentations directly to the SEG meeting presentation server prior to arriving on-site. Please visit the Speaker Kit webpage and view the "Guidelines for Oral Presentations" document if you need additional details on ProjectionNet.

Because your paper has been officially accepted, you are obligated to show up at the assigned time to give your presentation. People who do not show up to give their talk disrupt the flow of the session, do a disservice to the other speakers in the session and the audience, and complicate coordination with other technical sessions. Because of this, SEG WILL CONTINUE TO IMPLEMENT A NO SHOW POLICY. This POLICY IS PROVIDED IN THE SPEAKER NOTES PROVIDED ON THE SPEAKER KIT WEBPAGE. However, please note IF YOU ARE UNABLE TO SHOW UP FOR YOUR DESIGNATED PRESENTATION TIME, PLEASE INFORM THE SEG TECHNICAL PROGRAM COORDINATOR AT techprog@seg.org AS SOON AS YOU ARE AWARE OF THE PROBLEM, and BEFORE 9 September 2013, in order to avoid being placed on the 2013 NO-SHOW list.

Please forward this e-mail to the designated speaker of this paper and all other associated authors in case they should need to reference this information as well.

Thank you for presenting your work at the SEG Annual Meeting. You will help to make the Annual Meeting a significant learning experience for everyone. See you at the Speaker Breakfast and don't forget to pick up your Speaker ribbon in the Speaker Ready Room! You will need this letter to retrieve your ribbon.
