Sorry. I have some corrections. I already corrected it and typed it again in word file.
There are some corrections:
Table 4, page 3291 and 3292.
Matrix v, page 3292.
Figure 2, page 3293
Last sentence, page 3294
conclusion, page 3295

Over all the typo is about comma(,). Actually i must write it in pull stop(.).
It is our habit to write comma in Indonesian for decimal number.
Here i send to you again my correction in word file.
Thank you for your PDF file.
I am waiting to hear from you when will it be published.

Normally SCOPUS will include our publish issues within 10-15 days but it all depend upon SCOPUS society not from our end. You can also check on SCOPUS website that our latest issues are included in their database but some previous papers/issues are still not updated on their website so if it is delayed from their side not from our end.

We not assure or guarantee you that your paper will indexed in SCOPUS. SCOPUS is not our website or our product so we have no control over it how and what papers they have include in their database.
