The body text reads: "Dear Arista Hakiki, We acknowledge receiving your payment for article publication and look forward to publishing your manuscript. Your submission 'THE EFFECT OF TECHNOLOGICAL ADVANCES TO THE ACCOUNTING INFORMATION SYSTEM PERFORMANCE' for European Journal of Business and Management Research has been accepted for copyediting. Authors of all accepted manuscripts are obligated to adapt the layout of their papers according to the journal's template. Thus, you are expected to adapt your manuscript according to the journal's template. EJBMR Template Link: https://ejbmr.org/upload/documents/EJBMR_template.docx IMPORTANT NOTE 1: In order to correctly adapt the manuscript to the journal template, we suggest using the template file as the final/output file. Namely, copying your manuscript part-by-part (title, author names, abstract, introduction, etc.), pasting them into the template file, and finally delivering us the template file. In this way, you will maintain all the requirements of the template. When pasting a text from the manuscript into the template document please select "keep text only" option, which will protect the text styling in the template. In addition, please pay attention to the style of the references section and citations, figure and table captions, title and subtitle styles. IMPORTANT NOTE 2: Authors of all accepted manuscripts are obligated to adapt the layout of their paper according to the journal's template. If you are unable to adapt your submission manuscript to our template, EJBMR support crew may provide this service for you by charging a Template Support Fee (TSF) of 50 Euro and it can be paid from the following link: [PAY THE TEMPLATE SUPPORT FEE](#) Once the Template Support Fee is paid, the journal support crew will automatically start to adapt your paper according to the template. IMPORTANT NOTE 3: To ensure that you continue getting all the communication emails, please add our email address (editor@ejbmr.org) to your contacts. In some cases, the emails sent via our system may end up in the "spam" folder of your personal email account. Therefore, we kindly ask you to periodically check your spam folder during the reviewing and copyediting stages.
