Dear Editor of IJSTR,

First of all, we would like to say thank you so much because our paper entitled **"Work Stress, Job Satisfaction, And Turnover Intention: Case Study On Regional Development Banks In Southern Sumatera"** has been accepted in IJSTR and will be published in IJSTR issue July 2019 edition. We have seen our paper listed on issues in July 2019, but we cannot download the full paper. While several papers in the July 2019 issue can be downloaded. How can we download our paper? Thank you for your attention and help.

Best Regards,

Dr. Muhammad Ichsan Hadjri, ST, MM
