Dear Dr. Dr. Nirwan Syarif M.Si,

Thank you for submitting the manuscript, "Microdetection of Chromium Mixed – Valences using CuNi/Ti Electrode and Linear Sweep Voltammetry" to Mediterranean Journal of Chemistry. With the online journal management system that we are using, you will be able to track its progress through the editorial process by logging in to the journal web site:

Manuscript URL:

Dear Chief Editor / Prof.

I've sent you the revision of my paper including response form, pdf version of the paper and graphical abstract.

Next, I want to arrange the payment that facing postpone. It requires the exact name of the bank account.

Thanks for your help.

Best regards

Nirwan Syarif

Dear Dr Nirwan Syarif M.Si,

We are happy to inform you that the full text of your manuscript, titled "Microdetection of Chromium Mixed-Valences using CuNi/Ti Electrode and Linear Sweep Voltammetry" is published online in the current issue of the Mediterranean Journal of Chemistry, under the reference:

Mediterr.J.Chem., 2022, 12(2), 112-122.

Please, carefully read your manuscript for corrections if needed.

We would like to inform you that the Mediterranean Journal of Chemistry is now free for publication for an indefinite period, and take this opportunity to thank you again for your effective collaboration with the Mediterranean Journal of Chemistry, and we sincerely hope that we will receive further contributions from you in the future.

A DOI was assigned to link to your manuscript.

As you know, an article is evaluated according to the number of citations. So, do not hesitate to feel free to ask your colleagues and partners to cite your article in their work to be published.

With best regards

A. Souizi
