Dear Managing Editor,

Enclosed you will find a first revised version with tracked or highlighted changes of the manuscript entitled " Mixed planting with rhizomatous plants interfered with and suppressed *Ganoderma boninense* infection in oil palm" by R. Fadli, S. Suwandi, N. Damiri, A. Muslim, and C. Irsan, which we would like to re-submit for publication in the Journal of Phytology.

Reviewers recommended some revisions that we have made corrections accordingly. We would like to thank you for all reviewers' suggestions and corrections.

We feel that these changes have adequately addressed the comments and suggestions of the reviewers, and we look forward to publication in the Journal of Phytology. Please feel free to contact me if you need any additional information or clarification.

Sincerely,
Suwandi Suwandi

Dear Dr. S. Suwandi

Greetings!

Your accepted article entitled "Effect of mixed cropping of water yam (*Dioscorea alata*) on *Ganoderma* disease of oil palm" (Ms. No. 7641) is almost ready for publication in the Journal of Phytology. But, before publication, the final check of your article proof will be highly appreciated. For this reason, the galley proof of your accepted article is attached herewith.

Please download the proof and check/read it carefully. And also answer the queries if anything noted in the proof that has been arisen during typesetting.

Kindly send your corrections **in a separate word file by quoting page and line numbers** within three working days to avoid delays in publication steps.

With Regards
Managing Editor
