Dear Irmeilyana,

We sincerely regret to inform you that we are facing an unexpected technical problem on the ISNPINSA 2020 website. An extensive analysis of the situation concluded that to ensure the success of the International seminar, the ISNPINSA administration needs to be switched to the ISNPINSA official email (isnpinsa2020@gmail.com) until the problem is solved. Therefore, we kindly would like to request all presenters to send their full paper, PowerPoint presentation file, and video of presentation (the recording video of the PowerPoint page with the presenter's voice) to the respected ISNPINSA email.

Please kindly **reply this email to send your documents** with the specific code of **ISN191_Irmeilyana**

We would like to inform you of information as follows:

1. We already collected your uploaded full article

The name of the file should follow this format: **ISN191_Irmeilyana.doc** (or *.docx)

2. The uploading PowerPoint file (*.ppt or *.pptx) deadline is on September 21, 2020.

The name of the file should follow this format: **ISN191_Irmeilyana.ppt** (or *.pptx)

The total time allotted to parallel presenter is 10 minutes. You should plan to speak for 7 minutes and leave 3 minutes for questions. Show no more than 1 slide per minute of speaking time. This means approximately 7-10 slides MAXIMUM for the 7 minutes presentation at the conference. In order to allow discussion after all individual presentations, the session chair will keep time and ensure all presenters respect speaking time limits strictly. All the presentation files will be operated by the ISNPINSA operator, therefore uploading the ppt files before the due date is mandatory.

3. To avoid problems due to unstable internet connection during the presentation, we highly recommend all presenters to prepare a 7 minutes presentation video before September 21st, 2020.

The name of the file should follow this format: **ISN191_Irmeilyana.mp4** (or *.mpeg, *.avi, *.mov)

4. In case of no payment being finalized, we have extended the late registration payment deadline to September 21st, 2020.

5. The Conference Book of the 10th ISNPINSA 2020 will be sent in separate email.

The 10th ISNPINSA 2020 will take place in the next 4 days. Please, save the date for the Virtual Conference on September 24-25, 2020!

The 10th ISNPINSA 2020 will take place in the next 4 days. Please, save the date for the Virtual Conference on September 24-25, 2020!

Conference Details:

Title: 10th International Seminar on New Paradigm and Innovation on Natural Sciences and its Application (ISNPINSA) 2020

Date of rehearsal: September 23, 2020 (time: 11.00 am - 01.00 pm, Jakarta Time, GMT+7)

Date of Conference: September 24-25, 2020 (Time: 07.30 am - 05.00 pm, Jakarta Time, GMT+7)

Virtual Conference Platform will use Zoom and the link for Rehearsal and the conference will be sent two days before the date.

We apologize for any inconvenience caused and please do not hesitate to contact us for any of your questions.

Best Regards

Dear Irmeilyana

Manuscript ID: ISN191

Title: Logistic Regression Model on the Land Productivity of Pagar Alam Coffee Farming

Authors: Irmeilyana, Ngudiantoro, Bambang Suprihatin

Please find three information with regards to:

1. Reviewer's decision

Your article has been reviewed by experts in the field and the decision is **Major revision is required**. Please make the revisions before it is processed further. Please find your manuscript and/or the review form attached.

Please revise the manuscript according to the reviewer's comments and send to the ISNPINSA committee by replying this email within 3 weeks (The deadline is 02 January 2021). Use the version of your manuscript found at the attachment, as the editor may have made formatting changes to your original submission. Any revisions should be clearly highlighted, for example using the "Track Changes" function in Microsoft Word, so that changes are easily visible to the editors and reviewers. The revised version will be inspected by the editors and reviewers.

example using the "Track Changes" function in Microsoft Word, so that changes are easily visible to the editors and reviewers. The revised version will be inspected by the editors and reviewers.

2. Turnitin results (is also attached)

The Turnitin check is carried out with the following condition:

a. Bibliography exclusion

b. University repository exclusion

The result showed that your manuscript has similarity score of **7%**. Since the similarity score is below 30% means that your paper is still acceptable for further process in terms of the similarity threshold requirements..

3. Re-check your article and citation/reference format to follow the guideline (is also attached)

Please carefully read the guidelines and ensure that your manuscript resubmission adheres to these guidelines.

Please do not hesitate to contact us if you have any questions regarding the revision of your manuscript or if you need more time. We look forward to hearing from you soon.

Best regards,

Nor

Nor Basid Adiwibawa Prasetya
Chairman of The 10th ISNPINSA 2020

Dear Irmeilyana

Article ID: ISN191 and ISN192

After careful review on your manuscript(s), we are pleased to inform you that your manuscript(s) that were presented at the 10th International Seminar on New Paradigm and Innovation of Natural Sciences and Its Application (ISNPINSA) organized by the Faculty of Sciences and Mathematics Diponegoro University on September 24th-25th, 2020 have been **accepted** to be published on **Journal of Physics: Conference Series** under licensed by IOP Publishing Ltd.

Please find four information/attachments with regards to:

1. Letter of Acceptance
Your article(s) have been reviewed by experts in the field and the decision is **Accepted**. Congratulation.
2. Invoice

2. Invoice

The payment of publication fee of those article(s) could be paid via Bank Mandiri Virtual Account until **March 30, 2021**. Once you have made the payment, the receipt should be sent by replying to the committee email (isnpinsa2020@gmail.com). Please be noted that we will confirm your publication after we receive your payment.

3. License of Agreement for Publication

Please read the information in the License of Agreement for Publication for each article. Then please sign and send to the committee's email

4. Galley of Article and Galley Revision Form

This galley proof stage remains as the final review by the author before publication. The corresponding author should check with all the co-authors for the approval on any changes. Only critical changes should be made, such as data corrections or names of missing authors and write it on the Galley Revision Form. The authors are not allowed to make extensive content revisions. Please send the Galley Revision Form (only if you do a revision) to the committee's email.

Please do not hesitate to contact us if you have any questions regarding the information above. We look forward to hearing from you soon.

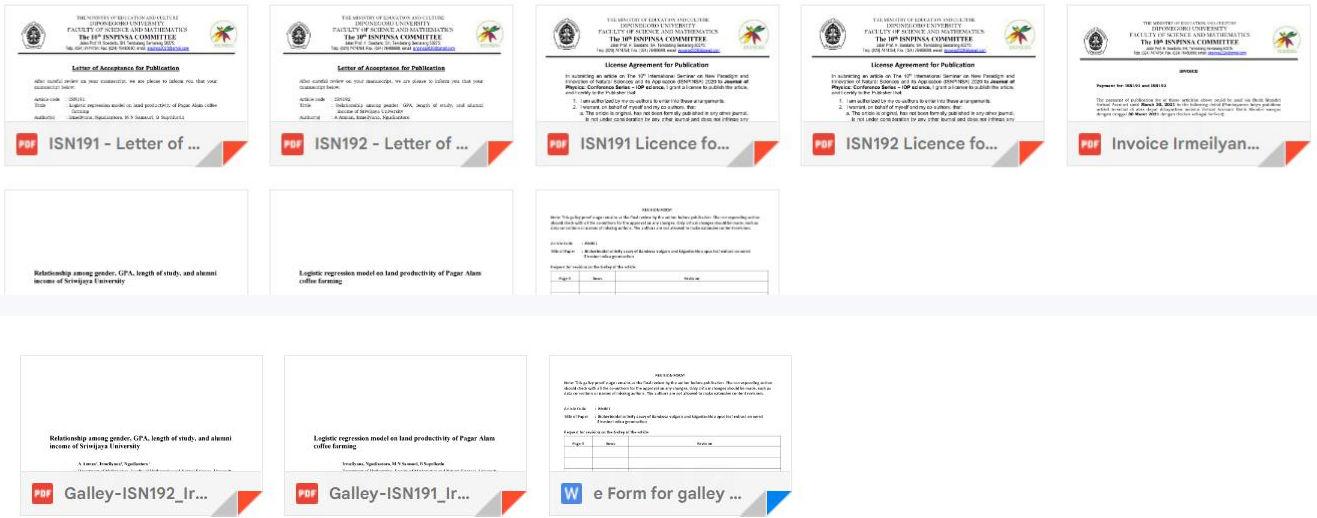

With Warmest Regards,
On Behalf of the 10th ISNPINSA Committee
Chairman
