Dear Fajri Vidian,

Thank you for your interest in publishing your work in HRPUB.

Your manuscript has now been peer reviewed and the comments are accessible in Word format. Peer review reports are also downloadable in Online Manuscript Tracking System (<http://www.hrpub.org/submission/login.php>).

We would be grateful if you could address the comments of the reviewers in a revised manuscript and answer all questions raised by reviewers in a cover letter. Any revision should be made on the attached manuscript.

Note: The abstract is too short. Please extend the length to 200-250 words. The abstract shall recapitulatively state the background of the research, purpose, methodologies, principal results, major conclusions and its contributions to the field. It should emphasize new or important aspects of the study.

Please download the publication agreement (http://www.hrpub.org/download/HRPUB_Publication_Agreement2020.pdf) and fill in the author name, manuscript title, manuscript ID and signature, then send a scanned version to us.

Please submit the revised paper to us by email in MS Word or LaTeX format within two weeks.

Look forward to receiving your revised manuscript as soon as possible.

Please acknowledge receipt of this email.

Best Regards
