Dear Mr Mokhamad Nur Khakim,

Thank you for your contribution to the 10th SEGJ in Kyoto .
 As a convener of the Monitoring/4D/Rock Physics session, I am pleased to inform you of that your paper is accepted to the conference provided that you will revise the manuscript following the reviewer’s comments, as in the attached files.
 You do not need to exactly comply with the reviewer’s comments, however, we expect that you to revise the manuscript according to the suggestions where you could agree with those.
 Please send your revised manuscript to myself (as a return email to this one) by the end of 27th of September (in your time zone).
 We appreciate your cooperation in advance.
 Best Regards,

Futoshi Tsuneyama

Dear Mr Futoshi Tsuneyama,

I hereby would like to send our revised manuscript for the 10th SEGJ by this email, as in the attached file. This manuscript is revised based on three reviewer comments.

For accepting our manuscript, I thank you very much.

Sincerely yours,
M Yusup Nur Khakim

Your submission is Received.

From: SEGJ committee (segj10th@segj.org)

To: myusup_nkh@yahoo.com

Date: Monday, October 3, 2011 at 08:22 AM GMT+7

Dear M. yusup Nur khakim,

Thank you very much for submitting your presentation title and abstract to **SEGJ** International symposium. We receive your abstract via our web system.

If you want to edit them, please login from the following URL page. You can edit the authors, title, abstract PDF file and so on until the submission deadline.

https://www.segj.org/symposium/systems/ws/index.php?event_id=1

After the submission deadline, we will start the review process of your abstract. The review result will be sent via e-mail to you.

Please wait a while.

If you have questions, please contact the **SEGJ** International Symposium committee.

<http://www.segj.org/is/10th/contact.html>

Sincerely yours,

SEGJ International Symposium committee
