Dear Mr. Dr. Sudi Mungkasi

We are very grateful to get this good news. We feel honored. So, we immediately improve our paper. But we are a little confused, why almost all the probability equations are missing. Maybe we saved the submitted file in an incompatible Microsoft Word version. We're sorry about that. We will our best to revise the paper. Once again, thank you very much.

Best regards,
Irmelyana and team

Dear Professor Irmeilyana,

I am not sure why some equations in your paper are missing. Yes, it is likely that we saved the submitted file in an incompatible Microsoft Word version. **In this case, it will be a good idea to complete all equations in the revised paper.**

We are looking forward to receiving your revised paper. Thank you for your attention.

Yours sincerely,

Re: Binary Logistic Regression Modeling on Net Income of Pagar Alam Coffee Farmers

Dear Prof. Irmeilyana,

We are now finished with the edited version of your paper for publication in International Journal of Applied Sciences and Smart Technologies (IJASST). We request that you proofread the edited version of your paper, which is attached.

As you are reviewing the proofs, please keep in mind the following:

1. This is the only set of proofs you will see prior to publication.
2. Only errors introduced during production process or that directly compromise the scientific integrity of the paper may be corrected.
3. Any changes that contradict journal style will not be made.
4. Any changes to scientific content (including figures) will require editorial review and approval.

Please check the author names very carefully to ensure correct spelling, correct sequence of given and family names and that the given and family names have been correctly designated.

You can annotate the attached PDF if there are any corrections that should be made by the Editor. If you would like to suggest corrections, please submit your corrections by replying this email within 4 working days.

Thank you very much for your attention.

Yours sincerely,
Sudi Mungkasi

Dear Mr. Sudi Mungkasi, Ph.D.

Beforehand, we thank you profusely for the information. We are very happy with this good news and really appreciate with the kindness of you and your team.

After we checked the edited version of our paper, we felt that there is no correction that we could suggest.

But, Mr. Sudi, if possible, may we ask that the name of the first author (Irmeilyana) be replaced by Ngudiantoro, please?.
I am (Irmeilyana) as the second author and remain the corresponding author.

Thank you very much for your attention.

Thank you very much for your attention.

Best regards,
Irmeilyana
