Subject: Notification of acceptance

Dear Dr. Dwi Setyawan

We are pleased to inform you that your abstract entitled: "**Landscape Function Analysis, a simple procedure for monitoring soil surface condition in rehabilitated mine sites**", has been accepted as an oral communication for ESAFS11 International Conference from 21-24 October 2013 in Bogor, Indonesia.

In case you are interested to submit your full article for ESAFS publications, please prepare and submit no later than 30 June 2013. Please go through ESAFS11 website at <http://www.esafs11ina.org> to update your information.

We remain at your entire disposal for any further information and are looking forward to welcoming you in Bogor, Indonesia.

Please confirm the reception of this mail.

Best regards,

Prof. Budi Mulyanto
Chair Organizing Committee
