Dear Prof. Irmeilyana Irmeilyana,

Paper ID : 4322

Paper Title : Timetable Creation of BRT Transmusi by Using Branch and Bound Method

The review processes of your paper for The 6th International Conference on Computer Science and Computational Mathematics 2017 (ICCSCM 2017) have been completed. The conference has received submissions from different countries and regions, which are being reviewed by international experts. Based on the recommendations of the reviewers and the Technical Program Committees, we are pleased to inform you that your paper identified above has been **accepted** for publication and oral presentation. You are cordially invited to present the paper orally at ICCSCM 2017 to be held on, May 4-5, Langkawi, Malaysia.

(Important)

So, in order to register the conference and have your paper included in the proceeding successfully, you must finish following steps:

1. Revise your paper according to the Review Comments in the attachment (if any) carefully.

2. Format your paper according to the Template carefully.
<http://www.iccscm.com/downloads/PaperFormat.doc> (DOC Format)

3. Finish the payment of Registration fee using credit cards or PayPal accounts.
<http://www.iccscm.com/cms/page.php?id=13> (English)

4. Log into the online submission system, fill in the registration information, upload the payment docs, and wait for approval (the submission status will become registered and you will get notification email). <http://www.iccscm.com>

5. Send your final paper files (both .doc and .pdf format) after getting registration approval.

ICCSCM 2017 will check the format of all the registered papers first, and the papers that are not in correct format will be sent back for revision.

All participants will get the presentation certificate and the softcopy of proceedings. Each presenter will be served for morning refreshment, lunch, and coffee breaks during conference dates. Additional ordering is needed for hardcopy proceedings via info@iccscm.com.

Maybe some unforeseeable events could prevent a few authors from attending the event to present their papers, so if you or your co-author(s) could not attend ICCSCM 2017 to present your paper for some reasons, please inform us. And we will send you, the official receipt of registration fee and online proceedings.

Please strictly adhere to the format specified in the conference template while preparing your final paper. If you have any problem in preparing the final paper, please feel free to contact us via info@iccscm.com. For the most updated information on the conference, please check the conference website at <http://www.iccscm.com>. The Conference Program will be available at the website before the event.

Finally, we would like to further extend our congratulations to you and we are looking forward to meeting you in Langkawi, Malaysia!

Yours sincerely,

Nor Farrah Selamat,

ICCSCM Information Office.

Dear Valued Researcher,

We do thank you for your kind cooperation and participation in the 6th International Conference on Computer Science and Computational Mathematics (ICCSCM 2017).

Hope it's not too late to wish. On behalf of the Technical Committee and Secretariat Office of The **Sixth International Conference on Computer Science & Computational Mathematics (ICCSCM 2017)**, we would like to thank everyone, who has supported, directly and indirectly before, during and after the event. It's a GIFT to have such a wonderful team who were always ready to extend helpful hands.

To all professors and student presenters, thank you for the cooperation and participation, we hope this kind of activity will inspire you to perform better and better.

Good Luck and All the Best in your research.

We welcome any feedback to improve the future events. We will share the analysis of ICCSCM 2017 later. The gallery is available at the following link and is available on the [ICCSCM 2017 website](http://www.facebook.com/pg/SandKRS/photos/?tab=album&album_id=1514047431940358).
