Dear Professor Hartono,

Acting on expert advice, I am writing to ask you to revise and upload a revision of the article

Natural extensions and entropy of β -continued fraction expansions with odd partial quotients by Yusuf Hartono, Cornelis Kraaikamp, Niels Langeveld and Claire Merriman submitted to Discrete and Continuous Dynamical Systems.

Referee reports may be attached to this letter, indicating the necessary changes.

When finished, please upload the revision to
https://ef.msp.org/uploadrev.php?p_id=120248&cr=2C54F5AE46

You will need to upload at the same time a PDF or text file with a summary of changes and an explanation of departures, if any, from the reviewer recommendations.

Please do not reply to this message. You can track the status of your article and contact the journal or editors at
https://ef.msp.org/status.php?p_id=120248&cr=2C54F5AE46

Dear Yusuf,

On 9 March 2023 you were sent an email to inform you that your article

Natural extensions and entropy of \mathcal{S} -continued fraction expansions with odd partial quotients

has been accepted for publication in Discrete and Continuous Dynamical Systems.

If you did not receive our previous communication, please let us know, and as soon as possible, go to https://ef.msp.org/uploadsource.php?q_id=120248&cr=2C54F5AE46

and upload the final PDF and all relevant source files of your paper (including .bib, .sty, .eps, etc.) that are needed for typesetting. If you have multiple files, please combine them into a single archive file (ZIP, TAR, TAR.GZ or TGZ) before uploading.

Sincerely,

The EditFlow Team, on behalf of DCDS's management

Dear Yusuf,

We have received the source file DCDS 210813 Hartono.rar and all the associated files for your article entitled

Natural extensions and entropy of S_α -continued fraction expansions with odd partial quotients to appear in DCDS. We will check the sources soon, and you will receive another confirmation upon the inspection of the sources. The final editing process will follow. You will be contacted by an AIMS staff member soon.

If you don't hear from us after 2 months, inquiries may be sent to editorial@aims sciences.org
