With reference to your manuscript entitled 'Acute Toxicity Test of Kenikir Leaf (Cosmos caudatus H.B.K) Ethanolic Extract on Wistar White Male Rats with Fixed Dose Procedure Method and Its Effect on Histopathology of Pancreatic Cells', please review the comments of the referees from our site <https://www.journalonweb.com/japtr>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript from the site along with the point to point clarifications to the comments indicating clearly where in the manuscript the changes have been carried out. Do check the FAQ related to replying to the comments and uploading a file.

The journal allows two weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it your non-desire to continue the article with us. Please also note that submission of revised article does not guarantee its final acceptance by the journal.

We thank you for submitting your valuable research work to Journal of Advanced Pharmaceutical Technology & Research.

With warm personal regards,

Dr. Upendra Nagaich

Editor

Journal of Advanced Pharmaceutical Technology & Research

Journal of Advanced Pharmaceutical Technology & Research has received your manuscript entitled "Acute Toxicity Test of Kenikir Leaf (Cosmos caudatus H.B.K) Ethanolic Extract on Wistar White Male Rats with Fixed Dose Procedure Method and Its Effect on Histopathology of Pancreatic Cells" for consideration for publication. The reference number for this manuscript is "JAPTR_90_20". Kindly quote this in correspondence related to this manuscript.

The manuscript is being reviewed for possible publication with the understanding that it is being submitted to one journal at a time and have not been published, simultaneously submitted, or already accepted for publication elsewhere either as a whole or in part. Online submission of this article implies that the corresponding author has the written consent from all the contributors to act as corresponding author.

High resolution images are required at the time of acceptance, you should be notified separately for the same, if images uploaded by you are not of printable quality.

The Editors will review the submitted manuscript initially. If found suitable, it will follow a double-blinded peer review. We aim to finish this review process within a short time frame, at the end of which a decision on the suitability or otherwise of the manuscript will be conveyed to you via this system. During this process you are free to check the progress of the manuscript through various phases from our online manuscript processing site <https://www.journalonweb.com/japtr>.

The journal allows free access (Open Access) to its contents and permits authors to self-archive final accepted version of the articles on any OAI-compliant institutional / subject-based repository.

We thank you for submitting your valuable work to the Journal of Advanced Pharmaceutical Technology & Research.
