Dear author,  
Congratulation, your final manuscript submission #1570852024 with the title **(Improved Chest X-Ray Image Quality Using Median and Gaussian Filter Methods)** has been ACCEPTED as part of the technical program for the 2022 International Conference on Informatics, Multimedia, Cyber and Information Systems (ICIMCIS). Hopefully, this paper will be presented (oral or online) at the conference as our technical program reports. The conference organizers and our attendees expect each and every accepted paper to be presented which contributes to the success of the event.

Your final submission must adhere to the IEEE PDF compliance which is checked through <https://2022.icimcis.org/final-camera-ready-guidelines/>. To confirm attendance at the conference, please complete registration through the link below:

Dear Erwin,

Manuscript Title: ELREI: Ensemble Learning of ResNet, EfficientNet, and Inception-v3 for Lung Disease Classification based on Chest X-Ray Image

Author(s): Lucky Indra Kesuma, Ermatita, Erwin

Thank you for submitting your paper to the International Journal of Intelligent Engineering and Systems (IJIES). Based on double blind review process, we are pleased to inform you that our Review Committee has accepted your paper.

The paper will be included in the IJIES, which will be published with ISSN (ISSN: 2185-3118) in online on the website (<http://www.inass.org/publications.html>). We are looking forward to your further contribution to our journal.

Kind regards

Prof. Dr. Kei EGUCHI  
Editor-in-Chief, International Journal of Intelligent Engineering and Systems
