Dear Author,

Thank you for submitting your manuscript, entitled "**Selfish User Network Optimization With Celluler Network Traffic Management Model Using Lingo 13.0**". We are delighted to inform that double-blind review process on the paper has been completed, and the reviewer decision for the paper is "**reconsider with major revision**".

Enclosed, please find the original paper, completed reviewer's form and author's comment form for your consideration. Likewise, kindly be reminded that it is imperative that the reviewer's advice and suggestions to be accommodated and followed in the revised manuscript. The articles published are articles that have been re-written according to the reviewer's suggestions. Please save the revised manuscript under the file name: **XXXXX _REV1** once the revision is completed, **with XXXXX is your first author**.

We look forward for your revised manuscript to be submitted until **January 25, 2020** in word format. If the paper is prepared in Latex format, please send the complete files (including .tex, pdf and pictures file). We would appreciate if you could send the revision before the specified due date. **Please send your revised article by replying to this email without changing the email subject.**

Awaiting your prompt response and thank you very much for your attention.

Sincerely Yours,

Editor-in-Chief

Prof. Aldes Lesbani, Ph.D.
