Dear Authors,

Thanks for your kind contribution.

Your paper status is given in the attached file. If you find your ID in the attached file, then please revise the paper according to the following steps (If you cannot see your ID in the attached file then it has been scheduled in Issue 53 to 57 and no action is needed).

The journal paper must be at least 6 pages long (minimum 6 pages but maximum no limit)

Abstract - make sure it contains "background, methodology, results, and conclusions" within 150 words to 250 words.

Introduction - check whether it contains research significance? The references cited in it are in order?

Results - contains details explanation? Figures and table are correctly presented?

Figures and Tables: Minimum 4 Figures and/or Tables but maximum no limit

Conclusions - whether the key findings have been addressed and future work been outlined and recommended?

List of references – has the reference format followed the template? And contains at least 10 recent references

Download the template file again <http://geomatejournal.com/Download> and read carefully the requirements.

Visit <https://www.grammarly.com/> for possible help and do native English professional proofreading.

The author is encouraged to resubmit the paper after another revision. A second read of the paper after some weeks is helpful to find the mistakes and bugs.

Submit online using the following link: <http://www.geomatejournal.com/revised>

We accept online submission only.

Best regards.

Dear Authors,

Attached herewith, please see the galley proof paper for final checking. Please note that this is the final correction and after this checking, you will not be able to change anything later on. As many grammatical errors found, we have done the following corrections:

1. Grammar corrected by Zakaria
2. Formatting correction is done by Zakaria
3. Figures and space including the title of figures and sections corrected by Zakaria
4. Please upload the galley proof file (both WORD and PDF) even no correction

Please do not change the format if any correction. We accept minor correction only (no major corrections). If any correction is needed, please do it on WORD file and then convert it to PDF file. Please send PDF version (Publishable Format including all journal information such as page numbers, vol, and issue number, date of received, revised and accepted etc.) of your galley proof paper by 4 days from the date of this email using the following link.
