SCOPE

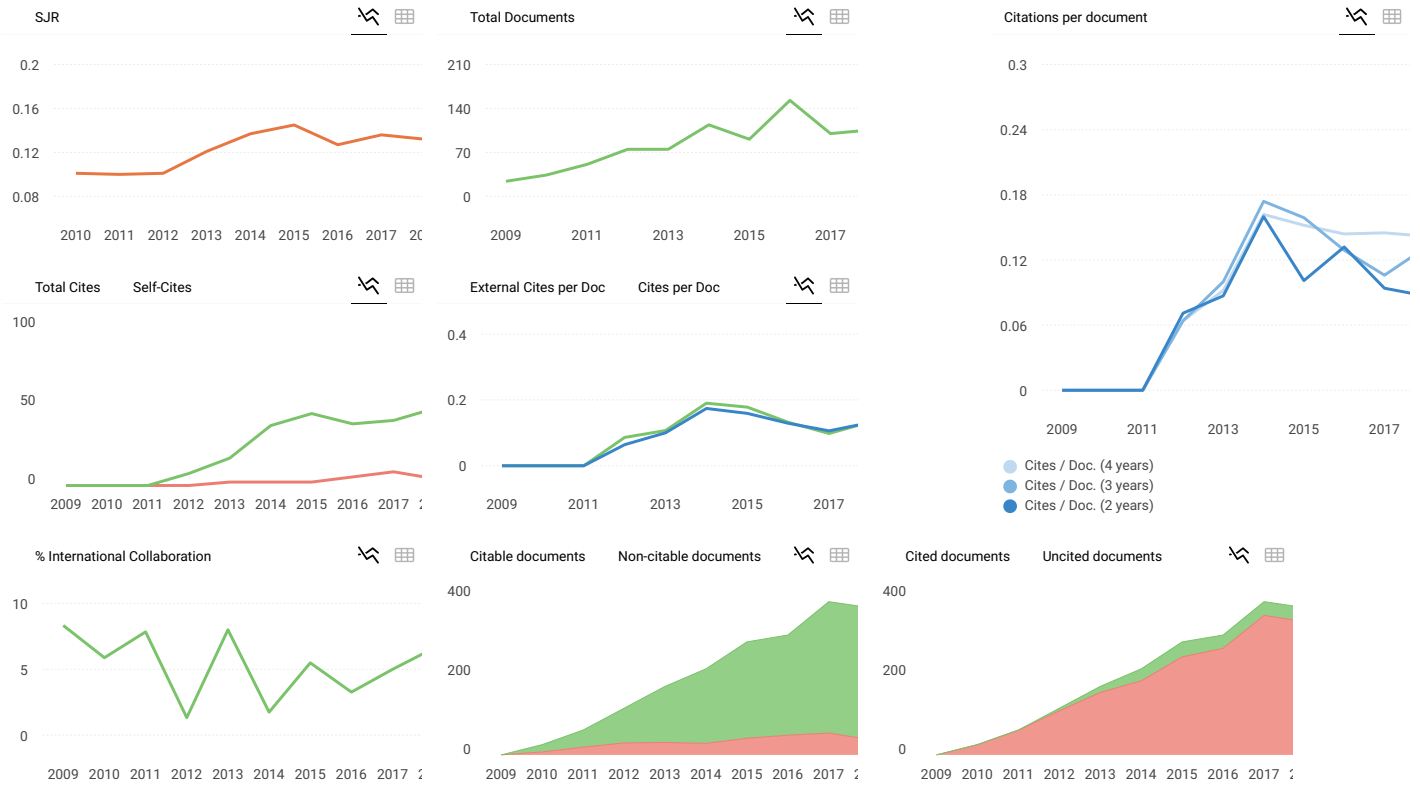

'Anaesthesia, Pain & Intensive Care' aims to provide a medium of scientific research and the current developments related to the four sister specialties of anesthesiology, pain management, intensive care and resuscitation to the healthcare practitioners in the target area. The journal has adopted a comprehensive peer review system to promote scholarship. It has since thrived despite innumerable constraints, and now boasts to be one of the leading research oriented journals of the region. Our area of circulation encompasses whole of South Asia and the Middle East and the journal is indexed / abstracted by most of the international indexing agencies.

Dear Scimagojr team

I want to ask why there is a difference in the coverage of this journal. I've checked the Scopus source on <https://www.scopus.com/sourceid/19700174976>, and the coverage of this journal is from 2009 to Present.

Thank you

Best regard,

Melanie Ortiz 2 years ago

SCImago Team

Dear Faurinda,

Thank you very much for your comment.

All the metadata have been provided by Scopus /Elsevier in their last update sent to SCImago, including the Coverage's period data. The SJR for 2019 was released on June 2020, 11. We suggest you consult the Scopus database directly to see the current index status as SJR is a static image of Scopus, which is changing every day.

For further information, please contact Scopus support:

https://service.elsevier.com/app/answers/detail/a_id/14883/kw/scimago/supporthub/scopus/

Best Regards, SCImago Team

The users of Scimago Journal & Country Rank have the possibility to dialogue through comments linked to a specific journal. The purpose is to have a forum in which general doubts about the processes of publication in the journal, experiences and other issues derived from the publication of papers are resolved. For topics on particular articles, maintain the dialogue through the usual channels with your editor.
