**ELSEVIER**

Dear Dr Stiawan,

Congratulations on publishing your article *Improvement of Attack Detection Performance on the Internet of Things Network with PSO-Search and Random Forest* in **Journal of Computational Science**. Thank you for your contribution to the journal and we hope you will consider submitting an article to an Elsevier-published journal again in the future.

As a commitment to improving our service to authors, we would like to invite you to participate in our Author Feedback Program. You will receive an e-mail invitation to complete an online questionnaire from Elsevier, asking you to evaluate our performance. Your opinion is very important to us and will enable us to monitor and improve our services for authors.

Please note: you will not be sent a questionnaire if you have received an author feedback questionnaire from us within the last 6 months or have previously

Dear Dr Stiawan,

We recently sent you proofs of the above-mentioned article. Our records indicate that we have not yet received your proof corrections or your approval to publish the article without change.

Please review the proof and submit any corrections within 48 hours to help us publish your article as quickly and accurately as possible.

Please click on the link below to access your proofs and the instructions for returning your corrections.

Improvement of Attack Detection Performance on the Internet of Things Network with PSO-Search and Random Forest

Dear Stlawan,

Thank you for submitting your manuscript to Journal of Computational Science.

I am pleased to inform you that your manuscript has been accepted for publication.

Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate you submitting your manuscript to Journal of Computational Science and hope you will consider us again for future submissions.

Kind regards,  
Valeria Krzhizhanovskaya  
Editor-in-Chief  
Journal of Computational Science

Dear Stlawan,

We have received the above referenced manuscript you submitted to Journal of Computational Science.

To track the status of your manuscript, please log in as an author at <https://www.editorialmanager.com/jocsci/>, and navigate to the "Revisions Being Processed" folder.

Thank you for submitting your revision to this journal.

Kind regards,  
Journal of Computational Science

Dear Stiawan,

Thank you for submitting your manuscript to Journal of Computational Science.

We have completed the evaluation of your manuscript. Based on the handling editor and reviewers report, I recommend reconsideration of your manuscript following major revision and invite you to resubmit your manuscript after addressing the comments below.  
Please resubmit your revised manuscript by Jul 03, 2022.

When revising your manuscript, please consider all issues mentioned in the reviewers' comments carefully; please outline every change made in response to their comments and provide suitable rebuttals for any comments not addressed. Please note that your revised submission may need to be re-reviewed.

To submit your revised manuscript, please log in as an author at <https://www.editorialmanager.com/jocsci/>, and navigate to the "Submissions Needing Revision" folder.

Journal of Computational Science values your contribution and I look forward to receiving your revised manuscript.

Kind regards,  
Valeria Krzhizhanovskaya
