Dear Novia,

We just get feedback from our committee and they as author to add more content. Beside, based on IPN requirement pages, you please make it 4 and half pages for content and half for reference.

Please edit and re-submit back to me.

TQ

Dear committee,

I have submitted the article to ICREGT 2015 conference as attached.  
I would prefer if the paper to be published in "International Journal of Applied Engineering Research".

Best Regards
