MATEC CASE OF SIMILARITY

From: SICEST 2016 (sicest@unsri.ac.id)

To: novia@ft.unsri.ac.id; noviasumardi@yahoo.com

Date: Tuesday, January 10, 2017 at 12:35 PM GMT+7

Paper ID : CPB-022

Manuscript Title : **Bioethanol Production from Sodium Hydroxide – Dilute Sulfuric Acid Pretreatment of Rice Husk via Simultaneous Saccharification and Fermentation**

Dear Novia

Originality is one of key requirement in SICEST publication included in **MATEC Web of Conference**.

Unfortunately, the final checking on your manuscrypt mentioned above has been detected containing index similarity of more than **30%**.

To avoid accusations of plagiarism, you are requested to make a revision to reduce the findings **reported as attached**. Please ensure the index is less than **30%** and the manuscript is totally according to MATEC template.

Time we provide for revision is 2 days since this e-mail was sent.

January 12 2017

Kindly need your cooperation and quick reply. Thank You.

Dear Author,

We are pleased to inform that review process of your paper *mentioned above* has been completed. Based on SICEST Scientific Committee recommendation, your paper is selected for publication in **MATEC Web of Conferences (EDP Sciences-France)**

Please read carefully the publication procedures for MATEC Web of Conferences as follows:

1. Authors need to revise the paper according to the review results
2. Authors prepare the paper according to the paper template of MATEC Proceedings (attached). Please prepare the papers carefully according to template in order to enhance the publication process. **Please be sure to check for spelling and grammar before submitting your paper.** It is recommended to use references software (endnote, mendeley, etc) to avoid inconsistency.
3. Revised papers are sent back to SICEST Publication Committee at sicest@unsri.ac.id before November 17, 2016
4. SICEST Publication Committee will send the papers to MATEC Web of Conferences Publisher for publication
5. SICEST Web of Conferences Committee will notify authors after the proceedings published by MATEC
6. Please notice that SICEST Publication Committee does not provide hardcopy of MATEC Web of Conferences. Authors can access the Proceedings online after published.

This publication selection cannot be changed to another publications arranged by SICEST Publication Committee. If the authors do not send therevised paper before November 17, 2016, then the paper will be considered to withdraw from SICEST SCOPUS publications and the registration fee will not be refunded.

Thank you for participating in SICEST2016.
