Kepada: bungaangreinisari@gmail.com, ziske_maritska@unsri.ac.id

Dear Authors,

Good day. Thank you for your submission of the manuscript "**Gene Therapy: Current Perspective and What the Future Holds**" to Molecular and Cellular Biomedical Sciences.

Before your manuscript being sent to our reviewers, it has been initially checked. We need you to make some revisions according to the correction list. Please find the file attached.

Please send us an email of your revised manuscript before **March 15, 2021** so that we can proceed with the peer-reviewing process. Please let us if you have read this email.

Do not hesitate to contact us if you have any questions regarding the comments. Thank you. We wish you a nice day.

Best Regards,
MCBS Office**#202 Manuscript - Initial Check.doc**

[MCBS] #202 Proof Reading [MCBS Vol.5 No.2]

MCBS Office <mcbs.office@gmail.com>

1 Juli 2021 pukul 14.40

Kepada: Bunga Anggreini Sari <bungaanggreinisari@gmail.com>, ziske_maritska@unsri.ac.id

Dear Authors,

Good day. Your manuscript "**Healing the Fundamental Unit of Heredity (Gene Therapy): Current Perspective and What the Future Holds**" is scheduled for publication in Molecular and Cellular Biomedical Sciences Vol.5 No.2 (July 2021).

Herein we attach the final draft of your manuscript. We need your assistance to check if there's any mistake in our printing and please state your agreement. Please make sure you check every detail of the manuscript, because any mistake/misprint found in the article after proof reading done will become the author's responsibility.

When you complete all your corrections/comments, please fill the attached Proof Reading Form. We will be waiting for your reply until **July 5, 2021**.

Thank you so much for your cooperation. We wish you a nice day.

Best Regards,
MCBS Office
