### A. Korespondensi Review Food & Function

#### 1. Bukti Korespondensi Tahun 2014

##### 1.1. Permohonan Review dari Auditor Jurnal tahun 2014

The screenshot shows a Gmail interface with a search bar at the top containing "food & Function review". On the left, the "Kotak Masuk" (Inbox) is selected, showing 808 messages. Below it, other folders like "Berbintang", "Ditunda", "Penting", "Terkirim", "Draf" (28), and "Kategori" are listed. The "Label" section on the left includes "Gmail", "Tong Sampah", "Imap/Sent", "Imap/Trash", "Deleted Items", and "Notes".

The main email content is an invitation from **food@rsc.org** (Lewat manuscriptcentral.com) dated Saturday, 6 Sep 2014, 13.52. The subject is "Invitation to Review Revised Manuscript for Food & Function - FO-ART-05-2014-000468.R1". The email body reads:

Dear Mr Rinto:

I would like to invite you to assess this revised manuscript that has been submitted to Food & Function. Further to your previous comment and those of the other reviewers (see reports below), the authors have submitted a revised version of the manuscript. I would be grateful you could advise whether your original concerns (and those of the other reviewers) have been satisfactorily addressed and whether this work is now suitable for publication in Food & Function. Thank you in advance for taking the time to look at this work again.

MANUSCRIPT ID: FO-ART-05-2014-000468.R1  
TITLE: Intake of heat-expanded amaranth grain reverses endothelial dysfunction in hypercholesterolemic rabbits

Please let me know as soon as possible if you will be able to accept my invitation to review the manuscript. To automatically register you reply with our online manuscript submission and review system click the appropriate link below:

Dear Mr Rinto:

Thank you for agreeing to review Manuscript ID FO-ART-05-2014-000468.R1 entitled "Intake of heat-expanded amaranth grain reverses endothelial dysfunction in hypercholesterolemic rabbits" for Food & Function. Please try your best to complete your review by 23-Sep-2014.

Papers published in Food & Function must represent a significant development (top 30%) in the particular field judged according to originality, quality of scientific content and contribution to existing knowledge. If you feel that this article does not meet these aims of the journal, please note that it is not necessary to write an extended or detailed analysis of the paper.

In your review, please answer all questions. On the review page, there is a space for "Comments to Editor" and a space for "Comments the Author." Please ensure your comments to the author are inserted in the appropriate space.

Dear Mr Rinto:

Thank you for reviewing manuscript ID FO-ART-05-2014-000468.R1 entitled "Intake of heat-expanded amaranth grain reverses endothelial dysfunction in hypercholesterolemic rabbits" for Food & Function.

Your support and advice is very much appreciated and we hope that we may call upon you again to review future manuscripts.

Also, did you know that you can update your research interests to make sure that you only get sent papers that match your interests?

You can do this by going to the Food & Function page (<http://mc.manuscriptcentral.com/food>), clicking on your name at the top of the screen and then selecting "User ID & Password" from the list. This page contains a "Research Interests" box near the foot of the page - please check that this is accurate.

This information helps us to make sure that you are only asked to review the most appropriate papers for your areas of expertise.

Yours sincerely,

27-Sep-2017

Dear Dr. Rinto:

Greetings from Pertanika. An article with Manuscript ID JTAS-1235-2017, titled "The Anticancer and Antioxidant activities from sea cucumber Stichopus variegatus flour using vacuum oven" has been submitted to Pertanika for intended publication in the Journal of Tropical Agricultural Science (JTAS).

I invite you to review this manuscript. The abstract appears at the end of this letter. I would be most grateful if you could find the time to read the article. Please let me know preferably <b>within 3 days</b> if you accept my invitation to review. If you are unable to review at the time, I would appreciate you recommending another expert reviewer(s) via email to the Chief Executive Editor at <a href="mailto:nayan@upm.my">nayan@upm.my</a>.

Should you agree to review the article, I would be glad if you could complete and return your review within 3 weeks from the date you click the <b>"Agreed"</b> link below.
