Dear Kesuma,

This is regarding your manuscript [2096944](#) titled "Electronic Media use and Sleep Disorders among adolescents in Covid-19 Pandemic Situation" that you submitted to "Sleep Disorders" .

We are in the final stages of checking your manuscript and, in order for us to consider your manuscript, you will need to improve the language of the article. Please also improve the language of the title, for example you could change this to 'Electronic Media use and Sleep Disorders among adolescents during the COVID-19 pandemic'. You can either ask a native English speaker to edit the manuscript for you, or use an editing service such as [Editage](#). You can find additional ones on our [author services page](#).

We are looking forward to hearing from you.

Best Regards,  
MALINI.
