Kepada: Dedik Budianto

Dear Dedik Budianta,

The manuscript you are attaching has several comments made by the native speaker that have not been answered. Please review them and answer them accordingly as soon as possible. In addition, there are still some comments made by the editors that have not been answered yet. Please revise all of them as well and send back the modified version of your manuscript including all the comments and all your answers, and also all the tables and references. Please use the attached file.

Kind regards,

Irene Ortiz Bernad

Kepada: Dedik Budianto

Dear Dedik Budianto,

Thank you for the information. Is Ermatita the last author? is that the complete name?
We also need you to provide with up to six keywords that do not repeat words included
in the title.

Kind regards,

Dear Dedik Budianta,
Here is the revised and definitive version of your manuscript. You will find some highlighted references that are
either missing in the text or in the reference list, could you complete or delete them? Also please revise the names
in the references (surnames and initials) and send me your comments as soon as possible.
Kind regards,
