RCET YJ LAU <wuejy@rcetgroup.com> to YJ, AHMAD, Mohd. chong, RCET2017, me Dear Dr Agung, Sun, Aug 26, 2018, 9:10 AM

For your information, we are having difficulties to publish your paper in MJFAS. As required by MJFAS, we have to obtain minimum two reviewers to agree your work. We have sent your paper to 4 reviewers (in order to get two positive comments), but none of them gave us favorable answer. Please be informed that I'm not directly involved in the review process as it was handled by other person. Referring to your paper, Figures 1, 2 & 3 showing the image of chemicals (PVDF, silver nitrate and NMP) and Fig 4 & 7 showing instrument image are not advisable to present in the technical paper. We hope that you can further add on the experimental findings in your paper and improve the content. Your paper in fact only has < 3 pages if Figures 1-4 & 7 are excluded. Can you please improve the content and send us a better organized paper which is required by MJFAS? We can still help you to submit to MJFAS as an individual paper in which we have confirmed with them.

Regards,  
WJ Lau

We need to submit it together with your manuscript to **MJFAS**.
