**The international conference on Green Design and Manufacture 2019 (IConGDM 2019)**  
Aston Tropicana Hotel, Bandung Indonesia  
29 - 30 April 2019

**Official Acceptance and Invited Letter**

Dear Mr. Agung Mataram,

Thank you for your submission to IConGDM 2019. We are pleased to inform you that your paper,

Paper id: (IConGDM 2019: 045-060)  
Title: **CHARACTERISTICS OF POLYETHERSULFONE MEMBRANES WITH THE ADDITION OF SILVER NITRATE, TENSILE STRENGTH, MICROSTRUCTURE AND PERMEABILITY**  
Contact Author: Agung Mataram  
Presenter Name: Ramdani

Due to review of IConGDM 2019 Committees, your paper was accepted as a regular paper. For publication in the journal, it depends on the peer review from the journal editor. Please do take into account in the revision to further improve the English quality of your paper. The regular length of the paper should not exceed 8 pages without extra pages fees.

The reviewer's comments below, if any, are provided to assist you in preparing your camera-ready paper.

The camera-ready version should follow the format strictly. If your paper didn't follow the format strictly, your paper will not be published on time.

You are kindly reminded with the following important notes:

1. Please make your correction and send the full paper in **WORD** (doc format). Please attach the responses to the reviewer for any correction that have been made.
2. After finishing the final Paper, you can prepare a **Copyright Release Form**. The copyright should download, print, write author names, paper title, sign a name and date, and scanned it to PDF format and upload to the system under "Online Submission > Paper Copyright Submission".
3. Kindly download the **registration form** and pay for it, and send both registration form and a **scanned receipt** from your bank to email:

**Reviewer's Comment:**

**REVIEWER 1:**  
Please make sure plagiarism is below 30%  
Please make sure all figures are clear (not blur)  
Please make sure all values in graph are clear (not blur)  
Please make sure all wordings in figures and graph are clear (not blur)  
Please check your English accordingly  
Please follow AIP Proceeding format which upload in <http://icongdm.unimap.edu.my/paper-submission/>  
Please used abbreviation for your references accordingly by referring format uploaded in <http://icongdm.unimap.edu.my/paper-submission/>

**REVIEWER 2:**  
Dear author,  
Here are some comments need to be completed by the author:

1. Please ensure that your paper follows the manuscript format accordingly as uploaded in IConGDM website. Some errors have been found in topic and references.
2. Please ensure appropriate resolution of the picture/graph/labels/values in your manuscript can be seen clearly. Figure 1.
3. Please ensure the similarity index of your paper is below 30 % using Turnitin software.
4. Please submit for proofreading of your paper before upload the camera ready paper submission for grammar revision.
5. Recommend to increase the number of references. Min. 10.
