Dear Mrs. Marieska Verawaty, PhD

On behalf of the 9th International Seminar of Indonesian Society for Microbiology (ISISM 9), we cordially inform you that your paper entitled:

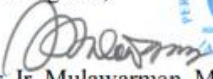

Growth Respons of Oedogonium Towards Different Nutrient Sources and Concentrations

has been accepted to be presented poster in the conference.

Thus, for assessment for publication in our Microbiology Indonesia journals, you are requested to submit the full paper via panitia@isism9.permi.or.id by November 10, 2017.

We look forward to seeing you in this 9th International Seminar of Indonesian Society for Microbiology (ISISM 9).

Best regards,

Dr. Ir. Mulawarman, M.Sc
Chair of ISISM 9
