The bank transfer form must indicate that all charges are borne by you, i.e. OUR, not BEN (Beneficiary) nor SHA (Shared by both sides). If there is no such option, you need to add USD 30 to the bank transfer amount. If the net amount received by us is less than the required amount, you will need to make another payment to settle the difference before the publication is

posted. If possible, please use other payment method to avoid bank charges.

Should you have any enquiry, please feel free to contact us.
