Dear Dr. Erwin,

Please make the online submission on or before 16 Jul 2022 at http://www1.iaeng.com/paper_submit/revised_start_JOURNAL.php?topic=EL

Please put more effort on improving the paper quality instead of submitting a revision with minor changes.
Otherwise, the revised manuscript may be rejected or asked for further revision.

[Review result of the submitted manuscript for Engineering Letters]

Thanks for your manuscript submission, and your manuscript (manuscript number: EL_211001Lg) of the title "A Novel of Circular Random and Ordered Patching Techniques on Retina Image to Improve CNN Performance"

has been sent to our reviewer in the related field. We are happy to tell you that the review result has now been received. The acceptance rate of our journal is less than 10%. It is our pleasure to tell you that your paper has been accepted with major revision.

Significant improvements are required. Otherwise, your work will be rejected or asked for improvement.

Please seek the help of a technical writer/colleague with a good command of English to improve and polish the paper.

Please see the attached file for the review result.

Please make the online submission on or before 16 Jul 2022 at http://www1.iaeng.com/paper_submit/revised_start_JOURNAL.php?topic=EL

Revised Paper Submission Information

The paper submitter must be the author of the paper. We do not accept someone to submit a paper on behalf of the author(s).

The following items are required (All files together should be less than 8M in total):

1. Manuscript number, i.e. EL_211001Lg
2. Paper title of the revised manuscript

- 3. * Revised manuscript without any highlight in PDF
- 4. * A list of changes in PDF, stating clearly and briefly in POINT form of, e.g.
- any major changes which can raise the paper quality significantly (necessary for a manuscript accepted with major revision ##.)

Please put more effort on improving the paper quality instead of submitting a revision with minor changes.
Otherwise, the revised manuscript may be rejected or asked for further revision.

Invalid submission will not be handled.

A notification email will be sent once getting the online submission.

After checking the submission, an acknowledgment email will be sent within 10 days.

Suppose a further peer review is arranged, the average review time is 2 months.

More about the revised manuscript

The revised paper must be formatted using the template available at:
http://www.engineeringletters.com/author_information.html

Please check your revised paper against the checklist available at
http://www.iaeng.org/publication/download/Checklist_camera-ready_general.pdf

Common problems: problem code [3032], [3040], [3045], [7050], [7053] of the above checklist.

Usually, authors need to submit revised version more than once to be camera-ready.

Do not make any highlight of changes on the revised version.

Suppose the paper is accepted as a camera-ready paper, we will ask for plagiarism check.
Please do not do it in advance. Otherwise, you need to do it again with the approved version.

Upon acceptance of a manuscript for publication, the author will not need to pay any page charge for manuscripts less than five pages. The author or his/her institution or company will be asked to pay a mandatory page charge of US\$250 for manuscripts of five to twenty pages, while US\$300 for manuscripts more than twenty pages. The authors are allowed to buy three reprints of the journal with the paper at a discount price of total amount US\$50, along with the payment of their corresponding page charges.
