Dear Anita Desiani,

We have reached a decision regarding your submission to Computer Engineering and Applications Journal, "Application of the Relief-f Algorithm for Feature Selection in the Prediction of Accordance with the Field of Education in the Graduate Employment of the Universitas Sriwijaya".

Your paper has been reviewed and **ACCEPTED** for publication. In order to fit into the publishing and printing schedule, please edit and re-submit your complete publication package by directly replying this acceptance email within 7 days so we can make your article available online/print in the next issue. If you failed to prepare your complete files on time, the publication of your article might be delayed.

Thank you for making the journal a vehicle for your research interests.

Best wishes,

Editor-in-Chief
