Dear Dr Sari:

Your manuscript entitled "Effect of supplementation Organic Acid Salt and probiotics derived from silage of kumpai tembaga grass on quality Carcass and meat of pegagan duck" has been successfully submitted online and is presently being given full consideration for publication in Journal of Applied Animal Research.

Your manuscript ID is JAAR-2019-0063.

Please mention the above manuscript ID in all future correspondence or when calling the office for questions. If there are any changes in your street address or e-mail address, please log in to Manuscript Central at <https://mc.manuscriptcentral.com/aar> and edit your user information as appropriate.

You can also view the status of your manuscript at any time by checking your Author Centre after logging in to <https://mc.manuscriptcentral.com/aar>.

Thank you for submitting your manuscript to Journal of Applied Animal Research.

Sincerely,
Alyanna Ellazar
Journal of Applied Animal Research Editorial Office

Journal of Applied Animal Research - JAAR-2019-0063 - APC Waiver Approved

From: Journal of Applied Animal Research (onbehalf@manuscriptcentral.com)

To: meisji@yahoo.com

Date: Thursday, February 28, 2019 at 11:21 AM GMT+7

27-Feb-2019

Dear Dr Sari,

Your request for a waiver of the Article Publishing Charge (APC) for the above referenced manuscript, entitled "Effect of supplementation Organic Acid Salt and probiotics derived from silage of kumpai tembaga grass on quality Carcass and meat of pegagan duck" has been approved. You selected the following option: "Group B Waiver"

If you provided a discount code or requested a discretionary waiver, you should receive an email confirming the article publishing charge that will apply if your submission is accepted for publication.

Please note that this does not mean that your paper has been accepted for publication.

The manuscript will now enter peer-review process and the Journal of Applied Animal Research Editorial Team will be in contact regarding any decisions made on the paper.

Best wishes,

Alyanna Ellazar,
Open Access Team, Taylor & Francis / Routledge Journals
