Dear authors

Congratulations! After careful review by several reviewers, we are happy to inform you that your submitted extended abstract has been accepted for presentation in The International Conference on Electrical Engineering, Computer Science and Informatics (EECSI 2015) in Palembang, Indonesia. During the preparation of your final manuscript for Conference Proceeding, please consider the following steps;

1. It is very important that you follow the suggestions indicated in the reviews during the preparation of the camera-ready extended abstract
2. Complete the payment of Registration fee and copyright form
3. Follow the camera-ready paper format and preparation guidelines for the proceedings, which are available at the EECSI website.
4. The manuscript file must be in MS Word format only (not PDF). Please send it with copyright form and proof of registration payment to iaes.eecsi@gmail.com before July 30, 2015.

For the most updated information on the conference, please check the conference website. The Conference Program will be available at the website in July 2015. Should you have any question regarding the camera ready submission and registration, please do not hesitate to contact the secretariat. We looking forward to seeing you at the EECSI 2015.

Yours Sincerely,

Deris Stiawan. Ph.D
EECSI-2015 Committee Chair

Faculty of Computer Science, Universitas Sriwijaya

================

Review:

- The Abstract should be informative and completely self-explanatory, provide a clear statement of the problem, the proposed approach or solution, and point out major findings and conclusions.
- Summarize sentences the primary outcomes of the study in a paragraph.
- Please ensure that: all references have been cited in your text; Each citation should be written in the order of appearance in the text; The references must be presented in numbering. The references must be integrated also with not less than two papers published on our Journals. You can find the issued at:http://iaesjournal.com (please use "Search Paper" facility in right top side of the website)

EECSI Policies

- Please avoid submission of papers that are already published or under consideration for publication elsewhere.
- If you having problems uploading papers, please contact us at iaes.eecsi [at] gmail.com
- **Registration fee for papers submission in Batch I is cheaper then Batch II. So, you are encouraged to submit your worthy papers in Batch I.**
- First submitted papers will be *first* evaluated and have higher chance for possible publication in the EECSI proceeding.
- Then, first accepted papers will be *first* promoted to extend for possible publication in some Scopus indexed journals. So, first accepted papers will have higher chance for early publication scheduling in the journals.
