Author:

We have reached a decision regarding your submission to AACL Bioflux, "Exploration of seluang fish (*Rasbora argyrotaenia*) oil extraction methods by enzyme extraction and wet pressing with quality analysis by Radityati Umi Partan, Rachmat Hidayat

Our decision is: Revise your manuscript until Aug 06, 2021 and submit on the AACL Bioflux website.

Sincerely,  
Tudor Papuc  
Editor-AACL Bioflux

---

Reviewer A:

Author should declare the biological plausibility of Anabas oil --> try to make a theoretical framework

Reviewer B:

Can you make a comparison the fatty acids from Anabas oil and other fish oil

Is there any extraction process of fish oil, try to compare the extraction process

Reviewer C:

Authors need to add the specification of instrument and chemical in methods
