Dear Salni Salni

I am pleased to inform you that your manuscript titled "A Subchronic **Toxicity** Test of Combination n-Hexane and Ethyl Acetate Fraction of Rosemytle Leaves [Rhodomyrtus tomentosa (Ait.) Hassk] on Male White Rats" (Manuscript Number: JABB-2021-11-696) is accepted for publication in the **Journal of Applied Biology & Biotechnology**.

You are advised to add the published article to your research gate, google scholar, and ORCID profile to enhance the discoverability of the published content.

The **journal** encourages the authors to host the published version of the manuscript to their institutional repositories.

You are required to make the payment of article processing charges. The payment details will be sent in a separate email.

I would like to remind you that you could send your future manuscripts to **Journal of Applied Biology & Biotechnology**

Dear Salni Salni,

Your article "A Subchronic Toxicity Test of Combination n-Hexane and Ethyl Acetate Fraction of Rosemytle Leaves [Rhodomyrtus tomentosa (Ait.) Hassk] on Male White Rats" is almost ready for publication at [Journal of Applied Biology & Biotechnology](#). But before publication, your final check will be highly appreciated. For this reason, the galley proof of your accepted article was uploaded to your author's homepage.

Please log in, download the proof and check/read it **carefully** for any mistake or typographical error(s); then submit your corrections (if exist) latest with the following **48 hours**.

Please note that if you not respond to this message or do not submit any possible correction within the deadline we will reserve your article for online publication as it is. Please also consider that **no changes can be made in your article after this step**.
