Dear author,
the manuscript of your article has been registered, passed the peer review.
To publish, you must fill out an Application Form and indicate the author's contribution.
This section explains the actual contribution of each co-author to the work (scientific guidance; critical analysis of materials and conclusions; provision of resources; preparation of the initial version of the text; experiments; development of methodology; collection of data and evidence; formalized data analysis; project administrator; concept study; data supervision; funding, etc.).
After receiving the additions, the article will be published in the 1st issue of 2021.

Thank you.

Regards,
Svetlana Evdokimova
