IJACSA Volume 14 Issue 12 December 2023 Published

1 pesan

Dear Colleague,

It is our pleasure to present the December 2023 Issue of the International Journal of Advanced Computer Science and Applications (IJACSA).
Current Issue is published at the following link: IJACSA Volume 14 Issue 12 December 2023

We hope this was a wonderful experience for you and we kindly request you to disseminate information about issue publication among your colleagues and fellow scientists, so as to achieve increased readership for all articles. Please do read the other papers published in our journal and consider citing them in your future publications.

For future paper submissions, please refer to the Call for Papers.

Further Steps:
All papers published in IJACSA are assigned individual DOI's. The DOI information for each article is available at the respective web page of that article.
Each published paper also has a dedicated web page with all the information about the paper that is linked to the respective DOI. It may take a few days for DOI records to be updated at CrossRef.

The papers of this journal are submitted for indexing to Web of Science, Scopus, Semantic Scholar, Inspec (IET), EBSCOhost, Microsoft Academic Search. The indexing process normally takes about 10-12 weeks to complete.

Wishing you all the best and hope to hear from you soon.

Regards,
Editor
