

WASET 2010 PARIS, FRANCE		
	WASET 2010 October 27-29, 2010 Paris, France	CONFERENCE VENUE Holiday Inn Paris Montparnasse-Av Du Maine 79-81 Avenue Du Maine Paris, 75014 France Phone: +33-1-43201393 Fax: +33-1-43206560 www.holidayinn.com/parisgare
	WASET 2010 PROGRAM CONFERENCE PROCEEDINGS www.waset.org/journals/waset	

Wednesday: October 27, 2010

Welcome & Registration at 09:30-10:00

Time	Paper Title	Authors
10:00 10:30	Invited Talk : Low-Cost UWB Radio Transceiver Architectures Based On The Transient Response Of Passive Networks	Richard Thai-Singam Univ-Paris XIII, Paris, France
10:30 11:00	Invited Talk : Restoration Of Color Artifact Echo-Timing For Digital Cinema Movies	Quoc Bao Do Univ-Paris XIII, Paris, France
11:00 13:00	Chair : Ginaber Luiz O. Serra, Soeng Hyeon Joo	Session – 1 (Oral Presentation) – HALL A October 27, 2010
	Effect of Adaptation Gain on system performance for Model Reference Adaptive Control scheme using MIT rule	Pankaj Swarnkar, Shalendra Jain, R. K. Nema Maulana Azad National Institute of Technology, Bhopal, India
	Data mining using association rules conducted by pre-processed rules patterns and ontology	Rahal Sid Ahmed, Dahmani Djiali, Khat Sakm University of Mohamed bouafek Oran (USTO), Algeria
	Formulation, Analysis and Validation of Takagi-Sugeno Fuzzy Modeling for Robotic Manipulators	Ginaber L.O. Serra, Carlos C.T. Ferreira, Rafael J. S. Mendes Federal Institute of Education, Sciences and Technology, Brazil
	Exploring the Potential of Phase Change Memories as an Alternative to DRAM Technology	Venkatasubramanian Viswanathan Delft University of Technology, India
	3D Network-on-Chip with on-chip DRAM: an empirical analysis for future Chip Multiprocessor	Thomas Carhae, Xu University of Turku, Finland
	Efficient Electromagnetic Modeling of Dual-Gate Transistor with Iterative Method using Auxiliary Sources	Oed Harouni, Lotfi Ouaner, Nekrem Yeddes, Ali Gherasleh, Henri Beudrand, Faculté of Sciences of Tunis, Tunisia
	Behavioral Modeling Accuracy for RF Power Amplifier with Memory Effects	Chokri Jebali, Nouredine Boujeljer, Ali Gherasleh, Fachtel M. Ghannouchi, Faculty of Sciences of Tunis, Tunisia
	Investigating the Importance and Necessity of Urban Streets Rehabilitation	Abbas Malekhosseini -Hamidreza Joodaki Islamic Azad University,arak branch, Iran
	Survey the effects Of climate in traditional and modern architecture of IranCase study :Arak city	Abbas Malekhosseini -Hamidreza Joodaki-Iman Mohammadsadeh Islamic Azad University,arak branch, Iran
	Role of urban planning in decreasing damages & losses of natural disasters (e.g. earthquake)/Case study: Tehran Zone Two	Abbas Malekhosseini -Hamidreza Joodaki-Mahdi Shirkovand Islamic Azad University,arak branch, Iran
	Philosophical Assumptions of the Cooperative Movement	Vincent Dodoo KNUST, Ghana
	A hybrid data mining method for the medical classification of chest pain	Sung Ho Ha, Soeng Hyeon Joo Kyungpook National University, South Korea
	Intelligent Tree-Based Message Routing in Enterprise Service Bus (ESB)	Seyed Mahdi Jamei, Payam Nabfari, Zahed Ferdospaneh ShahroQods Islamic Azad University, Iran
	The Classification Model for Hard Disk Drive Functional Tests under Sparse Data Conditions	Sirorat Pattanapornj Darsaipong Chetchotsak Khon Kaen University, Thailand
	An Algorithm of Finite Capacity Material Requirement Planning System for Multi-stage Assembly Flow Shop	T. Wuttijornpun, U. Wangrakditkul, W. Songserm King Mongkut's University of Technology North Bangkok, Thailand
	TOPSIS Method for Supplier Selection Problem	Omid Jaddi, Fatemeh Firooz, Enzo Baglieri The University of Bergamo, Italy
