Dear Joan Mok

Thank you for the results of the manuscript review that we submitted in the Engineering Letters journal with minor revision status.

We have discussed and made improvements to manuscripts with Prof. Saparudin (attached to the list of changes and manuscript revisions). We also discussed the results of the improvement with Prof. Gazali Bin Sulong, an image expert from the MSU as an external examiner in the PhD Program.

We also attach the copyright transfer statement that has been signed.

We believe that this manuscript publication will be cited by many other researchers.

best regards,

erwin
