Dear Author

We are pleased to inform you that your abstract entitled "Implementation of Sustainable Construction Principles in Palembang City – Indonesia" submitted to The 2nd International Conference on Smart City Innovation has been reviewed by our academic reviewers. Please consider the evaluation form attached in writing your full paper.

Should you have considered submitting a full paper, we would like to receive it by June 24, 2019 at 23.59 GMT+7 (Jakarta time). Please upload your full paper online in the website. Full paper guideline and format can be found here. Full paper submissions will be reviewed by internal and external referees. We will inform you the outcome of this review by July 26, 2019. Please note that full paper submissions which fail to meet our requirements will be rejected. In many cases, revisions might be required before the papers are published.

Sincerely,
The Organizing Committee of the ICSCI

Dear Betty Susanti,

We are pleased to inform that your full paper was accepted by the Scientific Committee to be presented in the 2nd International Conference on SMART CITY Innovation that will be held in Semarang, 9th October 2019.

In terms of publication, we recommend you publish in **the IOP Conference Series Earth and Environmental Science Journal** (Scopus indexed). This conference proceeding will give open access to your article which is funded by article publication charges (APCs) paid by the author (GBP 40 per article). The template of this proceeding is attached in this email.

Please note that this conference series only covering energy/environment and infrastructure topics. Then, discuss your paper in the context of those topics. Please consider the reviewer's comments in revising your paper (attached). The revised paper should be submitted by email before the 30th September 2019.

We thank you for your interest in our conference and we are looking forward to your participation in the 2nd International Conference on SMART CITY Innovation.

Yours sincerely,

Maya Damayanti
Editor of Proceeding
