Dear Dr. S. Suwandi

Greetings!

Your article entitled "Growth responses of oil palm seedling inoculated with *Ganoderma boninense* under competition with edible herbaceous plants" (Ms. No. 6231) is almost ready for publication in the Journal of Scientific Agriculture. But, before publication, the final check of your article proof will be highly appreciated. For this reason, the galley proof of your accepted article is attached herewith.

Please download the proof and check/read it carefully. And also answer the queries if anything noted in the proof that has been arisen during typesetting.

Kindly do the corrections in the file itself using Adobe Acrobat Pro/Nitro Pro/ in a separate word file by quoting page and line numbers and send back to us within 48 hours/two working days to avoid delay in publication steps.

With Regards

Managing Editor
Journal of Scientific Agriculture

Note: Please confirm that given names and surnames have been identified correctly and are presented in the desired order and please carefully verify the spelling of all authors' names.

Dear Managing Editor
Journal of Scientific Agriculture,

Thank you for a very nice layout setting of our manuscript. I found some minor mistyped words in keywords (page 1 line #31-32), *Ganoderma boninense*, *Canna indica*, *Maranta arundinacea*, *Xanthosoma sagittifolium*, *Dioscorea alata* should be **written in italic words** because of latin name for the species. Similar corrections should be done on figure title (page 4 line #18 for *Ganoderma boninense* and line #19 for *G. boninense*).

Thank you again for your hard work and very good services.

Best regards,
Suwandi
