Indra Yustian:

We have now copyedited your submission "Vocalization of Western Tarsier (Cephalopachus bancanus Horsfield, 1821) in Bangka Island, Indonesia" for Journal of Tropical Biodiversity and Biotechnology. To review the proposed changes and respond to Author Queries, please follow these steps:

1. Log into the journal using URL below with your username and password (use Forgot link if needed).
2. Click on the file at 1. Initial Copyedit File to download and open copyedited version.
3. Review the copyediting, making changes using Track Changes in Word, and answer queries.
4. Save file to desktop and upload it in 2. Author Copyedit.
5. Click the email icon under COMPLETE and send email to the editor.

This is the last opportunity that you have to make substantial changes. You will be asked at a later stage to proofread the galleys, but at that point only minor typographical and layout errors can be corrected.

Dear Author(s),

We would like to remind you that we have finished the final draft layout of your article entitled "**Vocalization of Western Tarsier** (Cephalopachus bancanus Horsfield, 1821) in Bangka Island, Indonesia". Please kindly check it on the attached file below and leave notes if there are any changes that should be made with it.

Furthermore, considering we have been indexed by Scopus, all of your data that appear in the layout such as name and affiliation will appear on your Scopus ID. Therefore, we encourage you to recheck the spelling of authors' names and the affiliation, as well as the similarity of authors' names and affiliation in the layout and metadata (in OJS system -> Summary). Please take note that we will not accept revision once it is published and appeared in Scopus database.

Thank you very much for your cooperation.

Best regards,

Salwa Shabria Wafi
Admin of JTBB.
