Dear Ms. Komariah,

We would like to remind you that your manuscript "Effectiveness of Biomass-based Fly Ash in Pulp and Paper Liquid Waste Treatment" was sent to you for revision on Mar 15, 2022. This is a reminder to complete your revision by Apr 14, 2022.

To submit your revised manuscript, please log in as an author at <https://www.editorialmanager.com/SAJCE/>, and navigate to the "Submissions Needing Revision" folder under the Author Main Menu. You will also find the Decision Letter there, with the full revision instructions.

If you do not plan to revise this paper, you may navigate to the "Submissions Needing Revision" folder and click "Decline to Revise".

If you require more time, please contact the journal office.

Kind regards,

South African Journal of Chemical Engineering

Effectiveness of Biomass-based Fly Ash in Pulp and Paper Liquid Waste Treatment
Dear Ms. Komariah,
The PDF for your above referenced manuscript has been built and requires your approval. If you have already approved the PDF of your submission, this e-mail can be ignored.
Please review the PDF carefully, before approving it, to confirm it appears as you expect and is free of any errors. Once approved, no further changes can be made.
To approve the PDF, please:
* Log into Editorial Manager as an author at: <https://www.editorialmanager.com/sajce/>.
* Click on the folder 'Submissions Waiting for Author's Approval' to view and approve your submission PDF. You may need to click on 'Action Links' to expand your Action Links menu.
* Confirm you have read and agree with Elsevier's Ethics in Publishing statement by ticking the relevant box.
Once the above steps are complete, you will receive an e-mail confirming receipt of your submission.
We look forward to receiving your approval.
Kind regards,
South African Journal of Chemical Engineering

Dear Ms. Komariah,

Thank you for submitting your manuscript to South African Journal of Chemical Engineering.

I am pleased to inform you that your manuscript has been accepted for publication.

My comments, and any reviewer comments, are below.
 Your accepted manuscript will now be transferred to our production department. We will create a proof which you will be asked to check, and you will also be asked to complete a number of online forms required for publication. If we need additional information from you during the production process, we will contact you directly.

We appreciate and value your contribution to South African Journal of Chemical Engineering. We regularly invite authors of recently published manuscript to participate in the peer review process. If you were not already part of the journal's reviewer pool, you have now been added to it. We look forward to your continued participation in our journal, and we hope you will consider us again for future submissions.

Kind regards,
 B C MEIKAP
 Associate Editor

South African Journal of Chemical Engineering

Editor and Reviewer comments

Reviewer #2: All my previous remarks and comments have been considered into this new version of the manuscript. It means that revised manuscript meets the criteria and in my opinion can be published as original paper in South African Journal of Chemical Engineering.
